

winbank is changing!

winbank web banking is being redesigned to offer you an even better user experience and improved transactions' execution.

More specifically:

- The new look will be even more user-friendly, providing instant access to your portfolio information
- It will be responsive and therefore provide full functionality and seamless access to all your products and services from your PC, tablet or smartphone

In order to ensure your access to the new improved winbank web banking, please check your browsers' compatibility and upgrade it in case you are using an old version:

Desktop και laptop

The redesigned winbank service will be supported by the latest versions of the following browsers:

- **Google Chrome**
- **Mozilla Firefox**
- **Internet Explorer**
- **Safari**
- **Opera**
- **Edge**

In case of old operating systems (e.g. Windows XP or Mac OS 10.5) the latest version of any of the above mentioned browsers, except Internet Explorer and Safari respectively, is suggested.

Tablet και smartphone

The new winbank web banking will be supported by the preinstalled browsers of the latest operating system versions for tablets and smartphones.

Minimum suggested versions for preinstalled (native) browsers:

- **iPhone / iPad: iOS 6**
- **Windows phones & tablets: 8.1 with IE11**
- **Android devices: 4.4**

For optimal navigation experience, it is recommended that you use the latest versions of Google Chrome & Mozilla Firefox.
